

Our Lady of Peace Catholic Nursery & Primary School

Curriculum Map 2021-2022

Our Lady of Peace Catholic Primary and Nursery School

Curriculum Overview- Reception

THEMES AT OUR LADY OF PEACE CATHOLIC NURSERY PRIMARY SCHOOL		
	<p style="text-align: center;"><u>Autumn 1</u></p> <p>Theme 1: Wellbeing</p> <p>The wellbeing agenda is at the heart of our curriculum. Children and young people should feel happy, safe, respected and included in the school environment and staff are proactive in promoting positive behaviour in the classroom, playground and the wider school community. At Our Lady of Peace, we believe that each individual is given gifts and talents by God. We equip our students with the knowledge and skills on how to identify their emotions as well as understand their own mental health from an early age. Linked to wellbeing is our R.E. unit on 'Belonging.' Having a strong sense of belonging to the family will help children learn life skills to make the best choices into their adulthood. It also provides a firm foundation for the child's identity, enabling them to feel comfortable and confident of trying new things.</p>	<p style="text-align: center;"><u>Spring 1</u></p> <p>Theme 3: Leadership & Collaboration</p> <p>Leadership skills allow children to have control of their lives and the ability to make things happen. Leadership instils confidence, and helps children solve problems creatively, work in a team, and work collaboratively with others. At Our Lady of Peace we want pupils to play an active and positive role in all aspects of school life. We are committed to developing pupils' skills as leaders across the school in order to develop their personal and social development.</p> <p>We promote values that are both Catholic and British, including: respect for the individual, democracy, individual liberty, respect, tolerance and inclusiveness. At OLOP we promote cohesion by serving more ethnically diverse and poorer communities and work in partnership with the local community to develop link to enrich the learning experiences of our pupils.</p>
	<p style="text-align: center;"><u>Autumn 2</u></p> <p>Theme 2: Resilience & Stamina</p> <p>In a world of increasing 'pressure' on young children it is vital that children have the fortitude, passion and ability to succeed. Our curriculum teaches children the skills of listening, communication and teamwork. We embrace a school-wide learning culture that genuinely enables all children to develop as resilient, self-regulating learners and thinkers.</p> <p>Our pupils develop a growth mind set approach from the earliest opportunities in school, so that they are resilient learners, who recognise that their effort is key to their success. They understand that they can improve through hard work and are encouraged to develop mechanisms for protection against experiences which could be overwhelming. This enables children to emerge from challenging experiences with a positive sense of themselves and their futures. Children who develop resilience are better able to face disappointment, learn from failure, cope with loss, and adapt to change.</p>	<p style="text-align: center;"><u>Spring 2</u></p> <p>Theme 4: Our Place in the World</p> <p>In today's fast-moving world, children need to know where they fit into the modern world. We feel that it is important for pupils to know their community, the geography of our own country and the geography of the world. We aim to provide opportunities for pupils, both within the classroom and beyond. With the strength God has given them, and a solid foundation of knowledge and skill, the children of Our Lady of Peace will take life's difficulties in their stride, showing resilience, confidence and a strong sense of self. Our pupils will live out our catholic mission by responding to social justice and local, national and international charitable work.</p>
		<p style="text-align: center;"><u>Summer 1</u></p> <p>Theme 5: Enquiry & Creativity</p> <p>Our pupils will have a passion and thirst for knowledge and have a clear understanding of our core values and our mission. Through enquiry, pupils will engage in research around interesting ideas and essential questions. This will prepare them for life in the wider community and provide an opportunity to take a hands-on approach in their education while obtaining several important skills that can be used at all levels of their learning, and even into their future careers. Additionally, the right mix of creativity along with the curriculum will help pupils to be innovative and encourage them to learn new things.</p>
		<p style="text-align: center;"><u>Summer 2</u></p> <p>Theme 6: Embracing change & Aspirations</p> <p>The meaning of aspiration is something you hope to achieve. At Our Lady of Peace, we want our pupils to have high aspirations to help build toward a future and give a sense of control and hope. It is a process of reaching the stars and we want our pupils to have the motivation and desire to achieve the best they can. Pupils will be expected to reflect on their learning and decide what they want to achieve for themselves. Our pupils will be open-minded, excited to celebrate others and share their successes and be empowered to be in control of their own future, supported by guidance from God.</p>

	Autumn	Spring	Summer
	<p>Who am I?</p>  <p>Know that I belong to my family and my school. know about myself and am learning about other people that I know Know about my school, who can help me and where things are Can make new friends Can use words to describe myself and others and talk about my thoughts and feelings Can tell people about my family Know about my faith and can join in with prayers and collective worship Learning the skills to engage with the whole of the curriculum Learning to be a learner</p> <p>What can I do?
