

Our Lady of Peace Catholic Primary and Nursery School

Year 2 Pentecostal (Summer) Term Topic Web

	<u>Pentecost Term 1</u>		<u>Pentecost Term 2</u>	
<u>RE (Come and See)</u>	<u>Spread the Word:</u> During this topic we will learn about passing on messages. Pentecost is the time for spreading the Gospel message through the gift of the Holy Spirit.	<u>Reconciliation Rules:</u> During this topic we will be looking at reconciliation. We will be exploring how we express sorrow when we have done wrong. We will also explore the sacrament of reconciliation and that it grants us pardon and peace.	<u>Treasures:</u> During this topic we will be looking at the universal church. We will be appreciating that all is a gift and it leads us to treasure everything in life. We will explore the different treasures that God has given us and what	
<u>English</u>	<u>Historical Adventure:</u> 'Toby and the Great Fire of London'	<u>Diary Entry:</u> The Great Fire of London	<u>Creating Settings in a fantasy story:</u> Where the Wild Things Are	<u>Persuasive Letter Writing:</u> The day the Crayons Quit.
<u>Maths</u>	<u>Number and place value:</u> Compare two 2-digit numbers and find bonds to 100 using thermometers; revise place value in 2-digit numbers, numbers between 100 and 200, and 3-digit numbers (including zeros in the 10s and 1s places) <u>Addition and subtraction:</u> Addition and subtraction investigations and problem solving; checking subtraction using addition: Understand that addition undoes subtraction and vice versa; Add three or more small numbers using number facts.		<u>Number: Multiplication and Division</u> In this unit children will calculate mathematical statements for division and write them using division and equals signs. Also, they will be solving problems involving division, using mental methods and division facts.	
<u>Science</u>	<u>Young Gardeners:</u> We will be learning about how plants grow, what they need to grow and the different parts of plants.		<u>Little MasterChef's:</u> We will be learning about our 5 senses, taste texture and names of food. We will learn what humans need to live and the importance of a variety of foods for a balanced diet.	
<u>Computing</u>	<u>Effective Searching</u> To understand the terminology associated with searching. To gain a better understanding about searching on the Internet. <u>Making Music</u> To be introduced to making music digitally using 2Sequence. To explore, edit and combine sounds using 2Sequence.		<u>Presenting Ideas</u> To explore how a story can be presented in different ways. To make a quiz about a story or class topic To make a fact file on a nonfiction topic. To make a presentation to the class.	
<u>History/Geography</u>	In History we will be learning about a huge event in our country's history: The Great Fire of London. We will be ordering the events of the time, and looking at different sources to gather information about what happened. We will also make links to the present day, and investigating what we have learnt from this big event and what has changed as a result.		In Geography we will be learning about the seaside. We will be comparing the human and physical features of coastal areas in this country and abroad. We will be using atlases to help us locate these areas and identify the key human and physical features.	
<u>Art</u>				
<u>Design and Technology</u>	This term we will be constructing houses which will link to our topic on The Great Fire of London. We will compare materials and methods for building houses today and in Tudor times, and use this knowledge to design and make our own model Tudor houses.		In DT this half term we will be designing and making a picnic to take to the seaside, which will enable us to combine DT, Science (healthy living) and our Geography topic of the seaside. We will be creating a virtual picnic for a virtual trip to the seaside!	
<u>Music</u>	In Music we will be using the Cheranga scheme. Our new topic from Charagna is Zootime. This is a reggae song for children. All the learning is focussed around this song, where the material is used to learn about the different dimensions of music, faith, rhythm and pulse.		In Music we will be using the Charanga scheme. Our new topic from Charanga is 'Reflect, Rewind and Replay'. We will be reflected on the units we have covered, selecting our favourite songs to perform	
<u>PE/Games</u>	In PE our topic is Games. We will be learning about different cooperative and competitive games to develop and extend the skills of throwing and catching through a moving target and to apply these in a small group situation.		In PE our topic is Athletics. Through this topic we will go over different athletic events such as sprinting and using the foam javelin. We will explore the skills used in these events. We will also try to link our PE topic to our Inspire focus of Brazil.	
<u>PSHE</u>	In PSHE we will be focusing on Mental Health and Wellbeing		We will focus on Kindness and Charitable Giving in PSHE, discussing ways to show kindness and understanding the Christian Value of Charity.
