Dear Parents

We are now approaching the end of the academic year which has been extremely busy and I am sure all children and staff are looking forward to their well-earned break.

I am very proud of the children's achievements in Early Years, KS1 and KS2 this year. The staff have worked tirelessly to ensure that the highest standards of education are delivered for all your children, recognising their talents. You will see from the results this year that all of the hard work and dedication of the staff and Governors is having a positive impact on results and I am very proud of our achievements this year and look forward to go from strength to strength.

I would particularly like to mention the Year 6 pupils for their hard work this year and wish them well in their new schools, may God bless them on their new journey. We will miss them greatly.

We would like to share with you our KS2 Results:
