SPUC PETITION There is currently a petition asking the Prime Minister not to de-criminalise abortion. Such a move would strip from unborn children any effective legal protection from abortion, and keeping abortion within the law offers some safeguards for mothers and their unborn babies. Decriminalising abortion would mean vulnerable pregnant women buying online abortion pills and taking them with no medical supervision and abortion up to birth for any reason. Please sign the petition at the back of church or online at <http://www.spuc.org.uk>
