The handlers from Feathers and Fur Falconry company will bring different species of owls to the school hall for the children to see, watch them fly, and learn about how they survive. We think this will provide the children with an unforgettable and enriching experience that will help to inspire their imaginations, ready for reading and writing about Plop the owl in our story!

PGL 2019

Last week, the Year 6 pupils and staff went on their residential trip to PGL Liddington. They spent three days taking part in a wide range of activities such as abseiling, archery, canoeing, raft building, fencing and much more besides! The pupils had a fantastic time, entering into every activity with enthusiasm, even if some of them were a little nervous at first.

The instructors made sure the children felt happy and safe at all times, while a big thank you must also go to the OLOP staff who gave up their time to attend the trip. Overall, the trip was a great success and we are already planning our return to PGL Liddington in June 2020!

Year 6 Residential trip 2020.

There will be an information evening for Year 5 parents on Tuesday 25th June at 6pm in the KS2 hall. Mr Head will provide details about the planned trip to PGL Liddington on the 3rd June 2020.

Nursery Sports Day

The Nursery children took part in Sports Day this week. They took part in an egg and spoon race, threw beanbags into hoops that were different distances away and balanced a beanbag on their head and completed a short obstacle course. They also all joined in with a running race. We talked about sportsmanship, the benefits of exercise and trying our best.

Missio Charity

Mission Together encourages children in England and Wales to pray, fundraise and become missionaries themselves – **children helping children**.

Under its original name of Holy Childhood, Mission Together has been active in Catholic schools for 170 years. Thanks to money raised by children in England and Wales, Mission Together carries out educational, medical and welfare projects in the poorest areas of the world. Over generations, Missio's work with children has helped to build the family of God. Their universally inclusive projects

tend to the needs of everyone, regardless of background or beliefs. In this way they show the all-embracing nature of the Catholic Church.

We are collecting on behalf of the Missio charity. Please bring in any spare change that you can spare. Thank you to everybody who has contributed so far.

During June we pray that the Church in Africa, through the commitment of its members, be the seed of unity among her peoples and a sign of hope for this continent.

The Kingdom of God grows in a mysterious and surprising way throughout the world with the power of a tiny seed.

- Pope Francis

Code Camp

As you may know, Our Lady of Peace Primary School will be hosting a Code Camp for students from years 2 - 6 from 7th - 9th August. This is a fantastic opportunity for children to have fun and make friends, while learning to code!

We are passionate about encouraging the students to get involved with technology, and while we do a lot of different activities throughout the term, Code Camp can really help to complement student's learning with a focus on problem-solving, computational thinking, design and creativity.

Due to parent feedback Code Camp have decided to extend their Early Bird discount until Sunday 9th June, giving you one last opportunity to save £30 off each enrolment.

Please head to www.codecamp.co.uk/ourladyofpeace if you would like your child to participate during the summer, or see the attached flyer for more information.

Letter from Mary's Meals

Dear Staff & Pupils

Thank you so much for your donation of £173.51 to Mary's Meals, which will be used to provide life-changing meals for children in their place of education.

Supporting our school feeding programmes is a great way of helping hungry children to learn and giving them the best chance of a future free from poverty.

The daily meals we provide are enabling thousands of children to attend school and work towards their dreams. Children such as 14-year-old Chimza Harry, who attends Mwalamba Primary School in Malawi.

Chimza – whose full name, Chimwemwe, means joy – lives at home with his mother Lucia and three siblings. The family ran out of food stores soon after last year's harvest, having only managed to grow one bag of maize.

He said: "I feel weak in the mornings when I walk to school. I feel lethargic, but I am excited to go to school because I will eat here, and learn."

Chimza is top of his class and has been every year since he started school.

However, as the eldest male living in the household, he feels duty-bound to help support the family and is adamant that he would not be at school if it weren't for the phala (porridge).

"When I eat the phala I get the strength to eat, study, walk home, and work.

"If there was no phala, I would have left school, because I know when I am hungry I cannot listen properly, I cannot learn. I would like to finish my education and become a doctor. I would like to help my people - the people around my village - to see a doctor in hospital faster."

Chimza's academic achievements show he is right to be ambitious. Thanks to your generosity, he and thousands more children have the chance to realise their dreams. On behalf of the 1,425,013 children who currently receive Mary's Meals, I thank you from the bottom of my heart.

Yours sincerely,

Magnus MacFarlane-Barrow, GCEO

This can be brought to the School Office on your child's return.
