## Special points of interest:

- A very proud moment.
- Look the planes are flying in the distance.

## A very proud moment!

The RAF fly-past event saw jets, helicopters and plenty more aircrafts flying over the English capital to mark 100 years of the RAF.

Our Lady of Peace KS1 and KS2 children were very fortunate today to see the RAF Planes fly over our school. It marked such a memorable occasion with the children shouting and screaming in delight as the planes flew over our school.

## Inside this issue:
