"THE SLOUGH SLEEP OUT FOR THE HOMELESS is over for another year and what a cold night! The atmosphere was excellent and everyone was in great form. We were so glad to head back to our warm beds the following morning. While sleeping outside with not much more than cardboard for shelter, was a tough challenge for one night, it was but a mere taster of what homeless people on our streets have to endure – night after night. It is difficult to put into words just how grateful we are to you and to everyone who played a part in this event. 100 people participated on the night and over £40,000 has been raised so far this exceeds our target for the funds needed to run the Winter Night Shelter once again this winter! The Winter Night Shelter is going from strength to strength. Last year 50 people were accommodated across three and a half months, 22 of these went on to find permanent accommodation and 11 found employment. The importance of providing that safe, warm place across the darkest coldest months cannot be stressed enough as we can see that it is helping many to move out of the downward spiral they are in and to regain their lives. Thank you so much for your help, prayers and sponsorship – we simply could not have achieved so much without you! The Board of Trustees - The London and Slough Run Charitable Trust"
