

Our Lady of Peace Catholic Primary and Nursery School

Year 1

Term: Lenten 1

Homework Booklet

Year 1 Notices

Reading Day – Books changed each Monday

Please ensure that your child brings in their reading books and reading records each day.

Library Day – Friday

Please ensure your child brings in their black school bag every Friday.

P.E Days – The children may come to school dressed in their PE kits. As the weather gets colder we ask that you provide your child with a black tracksuit for PE.

Year 1 St Jude: Monday and Wednesday

Year 1 St Bernadette: Monday and Wednesday

Welcome to your homework booklet for this half term.

In this booklet you will find six weeks' worth of spellings. You need to learn these spellings carefully by using the look, say, cover and write method.

Your teacher will test you on your spellings each week on **Thursday**.

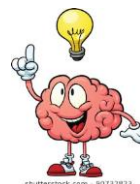

You can also login to your '**Spelling Shed**' account to practise your spellings.

Login to your '**Bug Club**' account for online reading challenges!

BRAIN BUILDERS

Your project for this half-term is...

This term the children will be learning about the Arctic and polar bears. We would like you to make an informative poster about the Arctic and polar bears.

Things to consider: where about on Earth the Arctic is, weather conditions in the Arctic, , people who live in the Arctic, what type of animal a polar bear is, what polar bears eat, where polar bears sleep, how polar bears are suited to the Arctic habitat.

We would like to encourage you to support your child in the research; however they should complete the project independently.

To be handed in or a picture emailed to school by 10/02/2021

Please continue to use the words and power points that are on Teams for each class to help your child with phonics.

Maths for Lenten 1

Number: Addition and subtraction

Represent and use number bonds and related subtraction facts within 20

Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.

Add and subtract one-digit and two-digit numbers to 20, including zero.

Solve one step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = \square - 9$

Number: Place Value within 50/ Multiples of 2,5,10

Count to 50 forwards and backwards, beginning with 0 or 1, or from any number.

Count, read and write numbers to 50 in numerals.

Given a number, identify one more or one less.

Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.

Count in multiples of twos, fives and tens.

Log-in to your 'My Maths' account and, each week, complete the activity listed in the table below.

- 4) _____
- 5) _____
- 6) _____
- 7) _____
- 8) _____

Handwriting

We teach cursive writing in year 1 and use a very good website. This website is called teachhandwriting.co.uk and below are some instructions for you regarding this website, so that you can see what we are doing at school.

We would suggest doing handwriting little and often each day, we usually do 10 mins in the morning and 10 mins in the afternoon, as well as the writing in any lesson that day. Handwriting takes time to master and there are going to be days that are better than others. This website also offers advice for parents on a range of topics relating to handwriting so it is definitely worth having a look at it.

When we do handwriting at school, we have the "animation" of the letter we want the children to write playing on the board whilst they are writing so that if they need a reminder of how it is written they can watch the board to see. Below are the instructions on how to do this so that the children can practice at home.

Teachhandwriting.co.uk

- Click "resources" on the line under the main title
- Click "how to teach handwriting" (the second box down)
- Click "handwriting animations and worksheets" (first box down)
- Click "continuous cursive beginners"
- Click "choice 3"
- On the screen where it has all the letters, on the top right of this screen is a circle saying "turn on loop" click this and then the letter you choose will play continuously for as long as you need.

Please support your child in practising continuous cursive handwriting as well as correct pencil grip and sitting position when writing.
