## **Bracknell Forest**

**Year 1 – Thursday 23<sup>rd</sup> May 2019.**

Dear Parents,

As part of our overarching Science topic 'Plants and Animals', we would like to take the children in year 1 to Look Out Discovery Centre in Bracknell. The children will have opportunities to explore the Hands-on and Discovery Exhibition; take part in a show 'Bugs and Beasties' and other educational activities. At The Look Out Centre there are more than 90 hands-on science and discovery activities, which is ideal for the children to further develop their investigations and comparison skills.

There are five learning zones:

- Build It!
- Light and Color
- Body and Perception
- Forces and Movement
- Woodland and Water.

'Bugs and beasties' is a one hour show which provides children the opportunity to identify a range of food chains and collect a mini beast to observe, identify and classify. Part one of the session is an interactive show. In part two the children will spend time outside with sweep nets to find out which bugs live in Swinley Forest.

**The total cost for this trip is £15 which includes entry into the centre, the show and transport. This is a voluntary contribution, if sufficient funds are not received, unfortunately the trip will have to be cancelled.**

The children will need to wear full school uniform and sensible comfortable footwear. Your child will also need a packed lunch which will be provided by school if necessary, please complete the slip below and return to the school office. Please can you supply an additional drink which your child will need for the day, in cartons or plastic bottles.

**NO FIZZY DRINKS.** A light waterproof coat is essential.

We will not be visiting the shop so no spending money will be required.

Please sign the form below and return it to school as soon as possible with your payment by **Friday 5<sup>th</sup> April 2019** to secure the booking.

Many thanks for your continued support.  
Year One Team.
