

These summer holidays Code Camp is returning to Our Lady of Peace Catholic Primary School to teach your child how to code, or continue them on their coding journey!

Whether coding is new, or an identified passion, Code Camp will let your child unleash their creativity in a fun, collaborative and supportive environment. All attendees will build their own app, learn foundational coding principles and have ongoing access to the Code Camp World platform to keep coding long after the camp has concluded.

3 day camp

Wednesday 7 - Friday 9 August 2019

8:30am - 4pm

Spark camp for beginners - intermediate

Suitable for ages 7-12

£229 per child (computers provided)

[www.codecamp.co.uk](http://www.codecamp.co.uk)

**\*\*Early Bird price £199 - use code EARLYBIRD until midnight 31st May - limited places available\*\***

Code Camp is now a global movement, having taught over 50,000 children how to code in the past 5 years. We focus on problem-solving, creating apps and improving computational thinking in a fun and engaging way, so your child will be ready to take on the digital world of the future.
