Questions	Your thoughts
What do you value about attending Church and do you feel listened to and valued?	
What do you find difficult about attending Church?	
Do any of your friends attend? Do you know why?	
What would help encourage more young people to come to Mass or services?	
Can you remember any times that you have really had fun and enjoyed yourself as part of the youth?	
Can you think of anything that we could plan together that you would come to and enjoy?	

What things in life do you enjoy or are you good at?	
If you could pick a leader of the Church (your Parish Priest, Bishop or the Pope) and you could ask him one question or tell them something about being a young person in the Church what would it be?	
Would you be interested in a regular Youth Group and if so how often and when?	
Do you have friends that used to come to Church? Do you think they might be interested in coming to something with you? Any ideas?	
What is the most annoying and the best thing that adult leaders say or do when it comes to Youth?	
Are there things that you are interested in learning more about or exploring in discussion, or is there anything you have been afraid to ask?	

Is there anything else you would like to ask, say or suggest

THANK YOU
