HAF

What is the HAF scheme?

The HAF (Holiday Activities and Food) Scheme is a Government funded programme to provide activities and nutritious food to children entitled to term-time free school meals.

Children 5+ who receive benefit related free school meals are invited to attend one of our HAF venues over the Summer Holidays absolutely free. All you need to do is book their space and attend the sessions you have selected.

You are welcome to book up to **16 days** at one of our completely free venues. **A nutritious meal will be included as part of the scheme. Please only select one time slot.**

We offer arts and crafts, board games, karaoke, drama and every single sport you can think of such as football, cricket, basketball, tennis, hockey and much more.
