Dear Parents/Carer,

Year 6— University Challenge

Michelle Tang, a representative from Cambridge University, visited Year 6 on Monday morning. She gave an inspiring talk about how they could continue to be learners throughout their lives and what they might experience if they chose to go to university. Apparently, there is a student at Cambridge who is over eighty years old! She also announced a competition. Your child will have brought home a booklet this week which gives all the details. We hope as many of our pupils as possible will have a go and maybe win a trip to Cambridge! Good luck!

We received an email from Michelle after the visit who commented on how well mannered the children in Year 6 were.

Year 3 Trip to the Verulamium Museum

On Tuesday 6th June, Year 3 visited the Roman Verulamium in St Albans to kick start their new topic on the Romans. The children were very lucky to have this opportunity to visit one of the major original Roman sites. They were able to take a walk around the grounds to see where the Romans had built the wall to protect the town. The children also looked at an authentic Roman mosaic that has been uncovered by archaeologists. Later in the day the children took part in a workshop about Roman artefacts and they were able to learn about Roman life from these objects.

Year 6 Production Tickets

Tickets for the Year 6 production are now available. Due to Health and Safety, tickets for the Thursday and Friday night performances are limited to 100 per night. The tickets will be on a first come, first serve basis. Tickets are available from the school office or please return your completed form via your child's class teacher.

Year 6 leavers Disco

Sadly the end of the year is upon us and we will be saying goodbye to our wonderful Year 6 pupils.

There will be a disco for the Year 6 pupils on Tuesday 11th July 5:30pm to 7:00pm. A letter will be sent out on Monday with all the details.

Hot Weather on Monday

On Monday the weather is expected to be very hot. Can we please remind you that your child must bring in a sunhat, water bottle and apply sun cream if necessary.

KS1 and KS2 Trim trail

Could we please ask that you do not allow your child to play on the trim trails in KS1 or KS2 before or after school. Please be aware that if seen by a member of staff will come and ask the child to come off, this is due to Health and Safety.

Please take note of the notices on the trim-trail.

3 St John Bosco Assembly

The theme of 3 St John Bosco assembly was 'Romans' Following on from their trip to the Verulamium Museum last week, the class explained how the Romans beat the Celts. The class also talked about making good and bad choices and the consequences of those choices. Miss Hunt was very proud of the children's performance. Miss Hunt would also like to thank the parents for helping their child make the fantastic shield, they all looked so amazing.

R St Valentine Assembly

The theme of R St Valentine assembly was 'Friendship' The children shared their Talk for Writing stories which were *Handa's Surprise* and the *Little Red Hen*. The children also shared other stories such as *The Good Shepherd* and *Lost Sheep*. The children singing was beautiful and they all sang so well. Miss Goodyear was very proud of all the children.

Many thanks to all the parents who attended St John Bosco and R St Valentine assemblies today.

Year 6 Trip to Legoland

The Legoland for Year 6 is on the **3rd July**. Thank you to those parents who have sent the money in, unfortunately if money is not received by Monday at the very latest, we will interpret this as your child does not want to go.
