PEACE SUNDAY Next Sunday, 16th January, is PEACE SUNDAY and this year Pope Francis asks us to think about 'Education, work and dialogue between generations: tools for building lasting peace'. The need for peace in the world is obvious. People are struggling against violence and conflict, growing inequalities, the effects of climate change and the covid pandemic. How can we harness the gifts and energy of all generations in the work of peacemaking? Which 'tools for building lasting peace' do you think Pope Francis might be talking about? In this country we have an active Catholic peace movement in Pax Christi, which does a great deal of good work to promote peace and nonviolence through parishes, schools and social media. Their website suggests many ways we can all become better peacemakers. There are activities for families to do at home, including a peace liturgy for young children. <https://paxchristi.org.uk/peace-sunday-2022> Pax Christi needs our support to keep going.
